**DIRECTIONS TO PRODUCER:**  
PhytoCare® Calf Enteric Concentrate offers four applications.

- \* **Prevention Support Biome Enhancement:** Add 1cc per calf in milk replacer or water.
- \* **Maintenance Intestinal Care:** Add 3cc per calf in milk replacer or water.
- \* **Support Intestinal Discomfort:** Add 6cc per calf in milk replacer or water.
- \* **Severe Intestinal Discomfort:** Add 8cc per calf in milk replacer or water.

**AFTER ANTIBIOTICS:** Use after any enteric antibiotic treatment for enteric cellular support.

**PRECAUTIONS:** For animal use only. Once the new born calf has rumen activity the APM™ treatment should be stopped and other intervention should be considered.

**STORAGE:** Protect from freezing, store in a cool, dry place out of direct sunlight. Temperatures of 40F to 80F. Keep container tightly closed when not in use.

**ALL-NATURAL CONTENTS:** PHT proprietary formulations of plant extractives containing: camellia sinensis, punica granatum and PC-BE3 fruit based phytogenic extract.

\*No therapeutic claims are made with extractive solutions
